Satt Cat Bags

Satt Cat Bags specializes in custom bags of personal distinction. Any party, from a birthday or anniversary to a shower, retirement or holiday party can be enhanced simply by coordinating the theme to include a bag for all involved.

Goody Bags that are coordinated to the theme of the party are perfect to thank all attendees for coming. After the goodies are gone, the bag can be reused with fun memories.

Treat Bags can enhance the theme of the party or shower when used as a party favor or door prize. When personalized with a name, the treat bag can even be used as a fun place card.

Gift Bags can even be made to wrap that bulky gift. Customized to the size needed, the bag can be reused for another memorable party or kept to hold party memorabilia or personal treasures of the recipient.

A **Mini Purse** or **Mini Wine Bag** can add personalization to any luncheon or shower. Made to coordinate with the theme, holiday or even a favorite color, these bags can only impress your guests.

Every detail is met when customized with a name, phrase or date.

Satt Cat Bags can only enhance the experience of your special party for all your guests and the guest of honor.

Personal. Custom. Detailed. Satt Cat Bags.
